'Thank you so much for having the friends of the RA to visit your magical sculpture garden last week. The lush vegetation, interesting mix of sculpture and elements of discovery and surprise made the visit very enjoyable for all the participants.'

Lecture tours and group visits 2015 *(continued)*

Groups visits are available between the 1st May and the 31st October on Tuesdays, Wednesdays and Thursdays when the Garden is not open to the general public. A non-refundable 25% deposit is required at the time of booking for all group visits. Lecture and lunch tours must be paid for in total on the day of your visit when exact numbers are confirmed. Photography is permitted as long as the photographs are not used for any commercial purposes, e.g. advertising and lectures.

A lecture tour, including refreshments and a chat afterwards, will take approximately 2 hours. Please wear sensible shoes. After heavy rain the Garden can be a bit muddy or slippery in places.

Please note, that our driveway is not suitable for coaches. We advise groups to come in either their own cars or in one or two minibuses. Standon Lane is very narrow and very rural. If the use of a coach is unavoidable, please contact us for advice.

'I would like to say a huge thank you from all of us for making us feel so welcome. Everybody had a superb time in your stunning landscape and I have had many compliments on the visit since.'
